40 **SECTION 2.**

41 Said title is further amended by revising Code Section 40-6-241, relating to drivers' exercise
42 of due care and proper use of radios and mobile telephones, as follows:

43 "40-6-241.

44 A driver shall exercise due care in operating a motor vehicle on the highways of this state
45 and shall not engage in any actions which shall distract such driver from the safe operation
46 of such vehicle, provided that, except as prohibited by Code Section 40-6-241.1, the proper
47 use of a radio, citizens band radio, ~~or~~ mobile telephone, or amateur or ham radio shall not
48 be a violation of this Code section."

49 **SECTION 3.**

50 Said title is further amended by inserting a new Code section to read as follows:

51 "40-6-241.1.

52 (a) As used in the Code section, the term:

53 (1) 'Engage in a wireless communication' means talking, writing, sending, or reading a
54 text-based communication, or listening on a wireless telecommunications device.

55 (2) 'Wireless telecommunications device' means a cellular telephone, a text-messaging
56 device, a personal digital assistant, a stand alone computer, or any other substantially
57 similar wireless device that is used to initiate or receive a wireless communication with
58 another person. It does not include citizens band radios, citizens band radio hybrids,
59 commercial two-way radio communication devices, subscription-based emergency
60 communications, in-vehicle security, navigation, and remote diagnostics systems or
61 amateur or ham radio devices.

(b) Except in a driver emergency and as provided in subsection (c) of this Code section, no person who has an instruction permit or a Class D license and is under 18 years of age shall operate a motor vehicle on any public road or highway of this state while engaging in a wireless communication using a wireless telecommunications device.

(c) The provisions of this Code section shall not apply to a person who has an instruction permit or a Class D license and is under 18 years of age who engages in a wireless communication using a wireless telecommunications device to do any of the following:

(1) Report a traffic accident, medical emergency, or serious road hazard;

(2) Report a situation in which the person believes his or her personal safety is in jeopardy;

(3) Report or avert the perpetration or potential perpetration of a criminal act against the driver or another person; or

(4) Engage in a wireless communication while the motor vehicle is lawfully parked.

(d)(1) Any conviction for a violation of the provisions of this Code section shall be punishable by a fine of \$150.00. The provisions of Chapter 11 of Title 17 and any other provision of law to the contrary notwithstanding, the costs of such prosecution shall not be taxed nor shall any additional penalty, fee, or surcharge to a fine for such offense be assessed against a person for conviction thereof. The court imposing such fine shall forward a record of the disposition of the case of unlawfully operating a motor vehicle while using a wireless telecommunications device to the Department of Driver Services.

(2) If the operator of the moving motor vehicle is involved in an accident at the time of a violation of this Code section, then the fine shall be equal to double the amount of the fine imposed in paragraph (1) of this subsection. The law enforcement officer investigating the accident shall indicate on the written accident form whether such operator was engaging in a wireless communication at the time of the accident.

(e) Each violation of this Code section shall constitute a separate offense."

SECTION 4.

This Act shall become effective on July 1, 2010, and shall apply to offenses committed on or after such date.

SECTION 5.

All laws and parts of laws in conflict with this Act are repealed.
